Mr. Harold Sargent, Trustee
Jericho-Underhill Water District
Underhill, Vermont 05489

Dear Harold:

Pursuant to the Environmental Board's meeting on March 10, this letter is to officially inform you that the Board voted unanimously to exempt the Jericho-Underhill Water District project as outlined in your letter to me of February 25 from the provisions of Act 250 on the grounds that the Board is currently proposing rules to promote underground installation of utilities and that if those proposed rules had been adopted, said project would be exempt. It should be noted that the Board considers right-of-way width of 20 feet for all such projects.

Accordingly, your request of February 25 for a declaratory ruling exempting the Water District project is approved.

Sincerely,

ROBERT S. BAECOCK, JR.
Executive Officer
Vermont Environmental Board
