STATEMENT OF FACTS AND VIOLATION

1. Respondent owns an auto repair garage at 874 Route 100, in Wilmington, Vermont (the Project).
2. The Project is subject to Land Use Permit #2W0607 (the Permit). Condition 1 of the Permit provides that:

The project shall be completed as set forth in the Findings of Fact and Conclusions of Law #2W0607, in accordance with the plans and exhibits stamped "Approved" and on file with the District Environmental Commission, and in accordance with the conditions of this permit. No changes shall be made in the project without the written approval of the District Environmental Commission.
3. Respondent purchased the Project tract subject to the Permit.

The Panel believes that this is an addition that constitutes a material change to the permitted project. Respondent believes that this part of the garage was in existence in 1984 when the Permit was issued, and that it is

- authorized by the Permit.
6. To date, Respondent has not applied for a permit amendment.

On or about September 15, 2009, the Panel served an Administrative Order upon Respondent for the unauthorized construction of an addition onto the auto repair garage authorized by Land Use Permit #2W0607, and the unauthorized storage of vehicles on the project site, without a land use permit amendment in violation of Land Use Permit #2W0607 and Act 250 Rule 34(A).
 8. Respondent filed a hearing request on the Administrative Order with the Environmental Court on or about September 17, 2009. The matter was assigned Docket No. 183-9-09 Vtec.
 9. On or about December 16, 2009, the Panel filed a Motion to Amend the Caption in that matter.
